

## MasterCard Debit Card

The MasterCard Debit Card is an easy and convenient way to access your credit union accounts and make purchases worldwide.

You can use it instead of cash or checks at any ATM location or participating retail outlet where the MasterCard logo is displayed.

### It's Fast... No Checks to Write!

Just say "Credit" and as long as there is money in your checking account to process the transaction, it's approved and you just sign the sales slip. Your purchase is automatically deducted from your First Jersey Credit Union Checking Account.

### Hassle-Free Shopping

You can make purchases at millions of participating retailers worldwide — from the local grocery store, gas station or favorite restaurant or at a hotel while traveling.

There's no finance or interest charges to pay, and no check acceptances or ID hassles. Your MasterCard Debit Card is accepted virtually everywhere you see the MasterCard logo!

### More Versatile than an ATM card

Your MasterCard Debit Card can also be used to access your credit union accounts 24 hours a day, 7 days a week from thousands of local and worldwide ATM locations. You can withdraw cash, make deposits, verify account balances and transfer funds between accounts.

### Unbeatable Convenience

First Jersey Credit Union membership provides surcharge-free access at over 25,000 ATM's, which includes 9,000 deposit-taking and 5,000 7-Eleven® locations throughout the U.S. and Canada.
